

Rent Subsidy Requests

People living with CCOC who request a rent subsidy will be assisted to complete the Market Rent to RGI In-situ application process at the Social Housing Registry.

The Registry waiting list is based on the date of application to the Registry and being a CCOC tenant does not give special consideration over other tenants or people applying for subsidy.

Definition: Rent Subsidy includes all types of subsidies: Rent-Geared-to-Income, Below Market Rent, or maximum shelter rents, etc.
